

Quality Assurance

How we maintain high standards for our oils

We have quality assurance in place to ensure you receive a safe, high-quality, and authentic product. In addition to our in-house testing on every individual batch, more than 25 audits every year ensure that our oils meet quality and purity standards.

CERTIFICATIONS

KOSHER

Orthodox Union Kosher is the world's largest Kosher certifying agency.

CERTIFICATIONS

Approval by a rabbinic agency verifying that ingredients, production facilities, product process have no trace of non-kosher substances.

HALAL

Islamic Services of America is one of the oldest North American halal certifiers
